“...for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ...”
Ephesians 4: 12-13 KJV

Working together to perform the work of the Lord in kingdom building and developing disciples is not an easy task. However, God wants us to join our strengths and talents to work as one, on his behalf to build the body of Christ.

This seminar will assist you in understanding how to create and maintain effective ministries in your church.

Participants will learn how to constructively engage in ministry work to effectively align with the vision of your church.

Participants will also explore a variety of ways to work together in love for the common goal, hold each other accountable for supporting and working within the ministry, and to develop good, strong, and faithful leaders.
